DIAGNOSTIC SERVICES

- ECG
- 24 Hour Holter Monitoring
- Stress Testing
- PAD/ABI Study
- 24 Hour BP Recording

24 hour BP monitoring is not an MSP covered service and patients are charged \$40. If your patient can not afford to pay please mark this on the referral and we will happily do it free of charge.

PREVENTION AND LIFESTYLE

- LION'S GATE CARDIAC REHAB

For higher risk patients (eg. post MI, CABG, angioplasty, valve replacement). Patient sees a kinesiologist, nurse, and physician review.

- EXERCISE PROGRAM

For patients with risk factors or a chronic disease who need to get active. They spend time with a kinesiologist for one to one fitness training and development of a comprehensive health and exercise plan.

- ONE WEEK OF FREE TRAINING

For patients that just need to get active and do not know what to do. Get them to come for a week with our exercise specialists. It works!
